**General List of Decorative and Forcing Stock****Azalea Indica**

Azaleas from us must not be compared with Azaleas from jobbers who handle in case lots only and are forced to take any and all varieties whether suited to American trade or not. Our stock is unpacked and re-graded as soon as received, so that any inferior or damaged plants may be taken out, and our long experience enables us to order just the varieties best suited to American market. We are now booking orders for early shipment, and urge all our customers to order early, so that stock may be sent out by freight before cold weather, and thus save express charges. Azaleas should reach us early in October.
